DESIGN STUDIO

Every business is unique – that's why our tiered packages can be tailored to your office size, growth stage, budget, and level of support.

**Call JasonL Design Studio and we'll make it work for you.**

# Choose your path to the *perfect office*

Whether you are looking for an on brand styling solution or a full Office Fitout. We have put together a tiered approach to fit any service level and budget.

## Interior Designer

### THE LOOK & FEEL

#### What's Covered:

The aesthetics, furniture, styling, soft finishes (look & feel).

#### Perfect For:

A space that needs styling with no structural construction, refreshing, rebranding, or moving office.

#### Key Result:

Receive a fully curated, brand-aligned decor package for the immediate delivery of an inspiring, high-performance working environment.

#### Why Choose JasonL Design Studio?

##### **Ease & Efficiency.**

JasonL Decor Packages deliver expertly curated, unboxed, placed, and styled solutions from multiple suppliers, saving your team hours of distraction while ensuring a professionally unmatched result.

#### What's Included:

- Furniture placement plan
- Style guide & mood boards
- Branded aesthetics
- Acoustics & soft furnishings solutions
- Furniture, material & colour palette schedules
- Guided JasonL and alternate supplier quotes
- Access to trade discounts

## Fitout

### THE STRUCTURAL BUILD

#### What's Covered:

The build, fixed partitions, and all technical systems needed for code adherence and a build-ready foundation. (Technical, build-ready).

#### Perfect For:

A space that needs internal layout changes, new leases, minor or major renovations, including expanding or downsizing.

#### Key Result:

Receive a fully documented, Build & Pricing Ready package for precision and delivering a seamless, cost-effective fitout.

#### Why Choose JasonL Design Studio?

##### **Transparency & control.**

With over 15 years in the industry, we developed our fitout packages to address the lack of transparency and professionalism many SMEs face with traditional fitouts. By separating design and procurement, we create clear accountability between builder and client, guiding you to the right, reliable builder for your project.

#### What's Included:

- All inclusions from Decor Package PLUS:
- Technical drawings & detailed build plans including demo, walls, furniture layout, and finishes
- Complete services integration (power, data, air-con/fire, plumbing, lighting, and custom joinery)
- Compliance assistance and/or authority approvals submissions
- Detailed scope of works & fitout budget forecasting
